A HISTORICAL SKETCH OF  
HEBRON BAPTIST CHURCH  
GASTON COUNTY, N.C.

State Library Of North Carolina  
Raleigh, N.C.

Published by: Authority of the Church:

|HEBRON BAPTIST CHURCH was organized at Abernethy's Ferry (now Rozzell's on the Catawba River in Lincoln County (now Gaston), N.C. in the latter part of the Eighteenth Century. The log house in which these people worshipped first stood on the river bank immediately at the Ferry. No records of this church are known to exist earlier than 1843 but tradition and references in old land deeds, carries us back to 1792. An old negro woman now living and nearly 102 years old whose name appears on the old church roll as Sally, servant of Mr. Henderson says her husband Jake who belonged to Richard Rozzelle, told her he was at the "raising" of the old Church and at James Abernethy "took up" one corner. This James Abernethy is known to have been drowned shortly afterwards, probably in the summer of 1792.

|The tract of land upon which the Church stood was conveyed to Nathan A. Abernethy by James Abernethy and his wife Elizabeth on the 28th day of March 1792. Nathan Abernethy sold to Nathaniel Saddler on the 20th day of August 1803 and in Book # 27, Page 625, in the Register's Office, Lincoln County, N.C., we find the following deed.

|"This indenture made this the 4th day of May, A.D., 1816 between Nathaniel Saddler, of Lincoln County, N.C., of the first part and Richard Rozzelle of said county and state of the other part. Witnesseth: That the said N. Saddler for and consideration of the sum of fifty dollars to him in hand paid the receipt whereof it hereby acknowledged, hath given, granted, bargained and sold, and by these present doth give, grant, bargain, sell, alien and confirm, unto the said Richard Rozzelle a parcel of land lying and being in state and county aforesaid joining the Catawba River immediately at said Rozzelle's Ferry, and bounded as follows: Beginning at a walnut and sassafras on the river bank thence N. 20 W. 5 poles to a stake thence N. South E. 24 poles to an ash, thence S. 20 E. 5 poles to a stake on the river bank, thence down the river to the beginning. Containing 4 acres, together with the appurtenances thereunto belonging to the said Richard Rozzelle, his heirs and assigns forever, with the following exceptions to wit: that is to say it is to be understood that the said Richard Rozzelle, his heirs and assigns are hereby debarred from building or erecting any house, or placing any family to live or reside on said land, or premises interrupt, molest the meeting house or people meeting, and the said Nathaniel Saddler doth for himself, his heirs, executors administrators covenant and grant to said Richard Rozzelle which land the said Saddler will warrant and defend against all persons, whatsoever exclusive of the above exceptions.

|In witness whereof the said Nathaniel Saddler has hereunto set his hand and seal this day and year above written.

|Signed and seal presented in the presence of Nathaniel Saddler. SEAL  
|Thos. Hill

According to the terms of a swap of land made in 1832, John Rozzelle, a son of Richard Rozzelle was to give the church a deed on fee simple for one acre of land nearly one half mile from Ferry, the consideration was to be the right of the church on the River bank.

The old house was removed and stood on the new site, until it was crushed by the weight of the snow on its roof in 1832. The membership being too weak to rebuild a stand was erected in the grove, at which preaching was continued at intervals of indefinite periods of time until 1852. The organization having

been dissolved sometime in 1853. Other denominations were allowed the use of the stand, notable, the Lutheran, Presbyterians and Methodist the latter organized a society at this place, have erected a house of worship and now hold possession of the site. On the 7th day of February, 1883 before the Methodist began to build. Brother John C. Fite addressed a letter to A.C. Rozzelle then in possession, in which he used the following language:

"I do want you to relinquish your claim or whatever of claim you may think you have, to Old Hebron Church tract. We expect to reorganize the church and we are unwilling to surrender the site for which we have a deed from John Rozzelle dated in 1832. This deed has never been recorded, etc., etc." A.C. Rozzelle disregarded this letter, and in July 1883 conveyed the same land to the Methodist Church.

It was understood at this time that Eli Abernethy had in his possession the Church deed, from John Rozzelle; Brother John C. Fite was sent to him for the deed, he told Bro. Fite that the deed was in the law office of Geo. F. Bason Esq., of Dallas, N.C. Bro. Fite then went to Mr. Bason who told him the deed had been taken out of his office upon an order from Eli Abernethy. The giving of this order by Abernethy, is denied, and so the matter remains a mystery.

The following named preachers are known to have served this Church:

John Ruker, at intervals from 1800 to 1819; Samuel McRary and Hosea Holcomb during a part of the same time; but we have no means of knowing when either of their ministrations began or ended. After them William Richards served the church until 1829; then B.T. Kirby for a short time, and from 1834 to 1839, P.K. Pursley was their preacher; afterwards, H.W. Carroll until 1846; Wade Hill, Garrison and R.B. Jones preached occasionally during the next ten years. Alexander Abernethy and A.J. Cansler were the preachers who dissolved the old organization in 1853.

After the war Elder G.J. Wilkie preached once at the old site and in 1883 Elder John F. Morris, who was laboring under the supervision of the Missionary Board of the South Fork Association, preached a few times.

Through the influence of Elder Morris the members of the different Baptist Churches, who resided between Dutchman Creek and the Catawba River, in Gaston County, N.C., held a conference meeting at the Flat Rock School House near Mountain Island Mills, on the 8th day of June, 1883, for the purpose of consulting about the propriety of reorganizing old "Hebron Church". Bro. John L. Grice was chosen moderator, and Bro. J. Grice was requested to act as secretary; when the following preamble and resolutions were adopted; whereas the site of Old Hebron Church has been taken into possession by A.C. Rozzelle, and the Deed for the same mysteriously obtained from the Office of George F. Bason, Esq., of Dallas, and whereas there can be no doubt as to the legality of our title, and being unwilling to surrender the same; therefore Resolved 1st, that we reorganize Old Hebron Church, and that we meet for that purpose, at the school house on the old site, on the 6th day of July, 1883. Afterwards the time of reorganization was postponed until the 5th day of October, 1883, when Elders John F. Morris and T.W. Upton and Deacons John B. Stone, John M. Hollobough and J.R. Underwood met at the old site at 10 o'clock, a.m. Brothers John L. Grice, J.M. Bumgarner and John C. Fite were also present. Mrs. William F. Cannon had requested, Elder J.F. Morris to secure her letter of dismissal from Salem Church, for the purpose of joining this organization. This he did, and she not being present, he gave the letter to her husband, who appeared to receive it very kindly, saying the day was too rainy for Mrs. Cannon to attend. Our intention was to occupy the school house at this place, but this privilege was denied us by W.F. Cannon who said he had locked us out, because he's not willing that we should reorganize the church at this place after consulate we agreed to meet in the afternoon of this same day, at the Flat Rock School House near Mountain Island Mills. This we did and the reorganization took place by choosing Deacon John B. Stone Chairman and John M. Hollobough, Secretary. The letter of the following persons

were presented and their names added as members. Deacon J.R. Underwood and wife Mary Underwood, Brothers John L. Grice, J.M. Bungarner and John C. Fite.

At conference the same evening several other names of newly baptized persons were enrolled and Brother John L. Grice was elected Church Clerk. The above Historical Sketch was adopted as a part of the church records, by the church in conference on the 16th day of September, 1886.

John L. Grice, Church Clerk.

"This Historical Sketch," has been published to inform the public of the trials and persecutions to which, "Hebron Baptist Church" has been subjected and also to ask all persons to assist this weak and struggling congregation to erect, for themselves a house of worship upon their recently purchased site.

THE HISTORY OF MOUNTAIN ISLAND.

By: DAVE KELLEY.

(As related to me by my mother, Jane Phifer KELLEY)

1. Thomas Randolph TATE of Greensboro, started to build the mill in 1846, brought the water power and land from a Mr. FARRAR.

Mr. Thomas FIELDS of Greensboro, was associated with Mr. TATE as Superintendent of construction and operated the mill. Mr. TATE came in possession of the old Mount Heckler Mill and machinery partly through marriage to Miss Nancy HUMPHREY, whose father, Henry HUMPHREY, elected and operated the Mount Heckler Mill at Greensboro.

The name Mountain Island was derived from Mount Heckler Mill and the little mountain that is now almost covered by water.

The children of Mr. TATE and Miss Nancy HUMPHREY TATE: Boys: Henry, John, Abb, Turner, Thomas, Jr., Ferdinan, George, Charley, Ernest; Girls: Victory, married M.P. PEGRAM of Charlotte; Katie, married Charley VANCE of Asheville.

Mr. TATE's second wife was Miss Cornelia OVERMAN. She had two children: Caswell and Anna.

When the mill building was completed the machinery was hauled from Greensboro to Mountain Island, and was started in the fall of 1849 when my mother was 12 years of age.

Some of the families that worked there at the beginning were: WINGATES, HINKLES, INGLES, PHIFERS, KELLEYS, HOWARDS, CASHIONS, McKELVEYS, BRINKLEYS, PRICES, SHIELDS, PRATHERS, DUCKS, CARIGANS, COVINGTONS, GRAYS, NORMANS and FARRINGTONS, etc.

The mill was run from sun up to sun down the year round by Mr. Thomas TATE. The men's wages were twenty five to forty cents per day. The women received from twenty five to forty cents per day for weaving. The small boys and girls received from five to twenty five cents per day.

There was no limit to age, it took all to work from the cradle to the grave to get a bare existence. There were no free schools or anyone able to send their children to college, except the wealthy and there were very few of them.

The goods manufactured was heavy sheeting, drilling, and yarn No. 8, 10, and 12 put up in 5 pound bunches. They were wrapped in blue paper and sold mostly over North Carolina and Tennessee. The sheeting was dyed with coperas or maple bark or shoe make berries and was used in the colors for the women's dresses, in the plain for under clothing. The men wore the plain for shirts and under clothing and the drilling dyed with coperas for work pants, and a heavy geans for coats or vests. They wore shawls instead of overcoats.

There was very little money in circulation then and the most of trade was barter trade. The heads of the families were called in the office the fifteenth of the month and told how much farther they were in debt to the company.

The living conditions here were as good as anywhere and better than the farms. Every family that could get work at mills left the farm.

Mr. TATE had a wool department in which he wove blankets and Southern Gray for the Confederate Soldiers in time of the Civil War.

Up to this time there were no public works in this community, except the Iron mines in Lincoln County. Silver or tin mines were found at Kings Mountain. There were some gold mines in Mecklenburg, Union and Stanley counties. Gold was taken from these mines and was refined and minted into coins, in the old Mint Building that stood where the present Post Office now stands in Charlotte.

All of the Industrial plants stopped at the surrender of Robert E. LEE, General of the Confederate States. Mountain Island closed down at this time, April 5, 1865, and remained closed until 1872. In 1872 the Tate boys threw out the old Mount Heckler machinery except four old cap frames and four drawing frames.

They hired James McDONALD from Concord, N.C., for whom I was working at that time, to erect and start the new machinery. In the summer of 1874, the Concord mill stopped when cotton advanced to twenty seven cents a pound. Mother, Aunt Mary and I went back to Mountain Island and worked from the 7th of July until the 7th of September. Mother and Aunt Mary worked for 60 cents per day weaving and I worked for 25 cents per day. After we had worked here for two months we went back to Concord.

The 4th of March, 1875, our family moved back to Mountain Island. I began work at this time, the 6th of March, 1875, my thirteenth birthday.

The TATE boys put in 50 check looms and changed over twenty five old drill looms to checks or what at that time was known as alamance. Wages paid at this time were as follows: Second hands, 40 cents per day; doffers, 30 cents per day. They paid spinners 10 cents per side and four sides or 40 cents per day and paid spooler hands 40 cents per day. They spooled four and one half doffs and seventeen bobbins four times a day on twenty four spindles. The men's wages ran from 50 cents to 60 cents per day. We worked 72 hours per week.

On July 4th, 1875, being one hundred years since the Declaration of Independence, we celebrated that event by having a barbecue and dance. The mill people furnished the bread, ice, lemons, sugar and the country neighbors furnished the sheep and beef. At that celebration we had one beef, six sheep, one hog, barbecued and chicken pie and hash by the wash pots full. Everybody enjoyed themselves. They went away without a single drunk or fight. We had five hundred or six hundred people on the grounds at that time.

The next event was the high waters of June 9, 1877. The water got over the lower screens of the picker and we rode through the windows of the ground floor of the mill in a boat.

Sometime during the year 1877 the first Sunday School was organized at Mountain Island with Mose WENTZ, Superintendent, Dave KELLEY as Secretary Bill ALDRED as Teacher, and Price WENTZ and Simon HOWARD as pupils. During the summer we enrolled Caswell TATE on one side and Dave KELLEY on the other and started to teach the boys to play base ball. None of them had ever seen the game played except we two.

About 1880, Mrs. Alice TATE decided to have a Church here. She persuaded George to build a small servant house and gave us the old slave kitchen. It was about 20 X 60 feet. With the assistance of Kit HAMLET we rolled it across the race, sealed it, seated it and built a bay window in the back end for a pulpit. Henry HOWARD built the pulpit out of walnut lumber in the shape of a desk and built in a bookcase in the bottom for our Sunday School papers and books.

In the summer and fall of 1880, Haley's Comet appeared about the last of July. I was overseeing at night. It traveled from North to South and appeared first in the East at 3 O'Clock A.M. By November it was crossing the sun's path at midday. It never eclipsed the sun but dimmed it. Where the sun shone through the windows it shone purple on the floor of the mill.

In the fall of 1881 Fields HAWKINS and John GRICE entered into our church work whole heartedly. They deserve equal credit with Mose WENTZ for the up-building of better moral standards of our community.

I had known John GRICE since 1868. As a boy I followed him to the field and carried him water all day to get to ride the mule to the field and back to the barn. He walked and led the mule and I rode. He would not plow a mule all day and ride it home, but he would let me, as a boy, ride.

I left Mountain Island the 16th of April, 1884 and will have to leave this history for someone else to finish.

#### HISTORY OF MOUNTAIN ISLAND FROM 1884 TO 1894

By: Rev. J.B. GRICE

On or about late winter of 1884 the TATE brothers, Turner, Charles and Ernest sold the mill and all their holdings to William J. HOOPER of Baltimore, Maryland. Their holdings consisted of the original five story brick building, store house, cotton warehouse and dwellings sufficient to house approximately three hundred people. All land held by them was eleven hundred acres, more than half in woodland. Going back to 1881 at the time the writer came to Mountain Island with his parents at the age of seven years, those of the Tate family in active charge were as follows: Ferdenan, in charge of all outside work, including the farming and draying. (The nearest shipping point by rail was Mount Holly which was three miles distance.) Turner and Ernest, who had charge of the store. George who was superintendent of the mill and Charlie was overseer of weaving.

To the regret of all who knew him, Ferdenan pulled out from the Mountain Island Manufacturing Company and with his family moved away in the year 1882. Then in the late spring or summer of 1883 George TATE died. The moving away of Ferdenan and the death of George was a serious blow to our little village. At the time of the latter's death the writer was only nine (9) years of age, and he was greatly impressed with the large funeral procession that followed the body to Mount Holly where it was placed on the train to be shipped to Greensboro, N.C., for burial. Every male member of our village that was able to walk, marched behind the slow moving casket all the way from Mountain Island to Mount Holly.

Early in the year 1884 it began to be whispered around that the property of the Mountain Island Manufacturing Company was about to change hands. This

suspicion became confirmed early in the spring of the same year when W.J. HOOPER of Baltimore, Maryland, came and announced himself the new owner. Pretty soon after taking charge, he announced that he was going to reduce the hours of labor from 72 to 66 hours per week. Since eleven hours for a day's work was unheard of anywhere in Gaston County for a cotton mill, a great many looked upon it with suspicion, thinking that it meant 72 hours work had to be done in 66 hours. That, and the report that the old mill building was unsafe, caused a few families to move away to other mills.

Soon after taking charge the new owner began running all stock out of the machinery. Then began a complete overhaul of the old building, and the erection of a new four story building, and the erection of a new four story brick building and a one story brick building. The latter building was for dyeing purposes. In addition to the above, a large reservoir was built on the hill just west of the mills. Fire hydrants were placed near the mill, also an automatic sprinkler system was installed throughout the buildings. A new lighting system known as electricity was installed in the mill, the store, the manager's home and the little church on the canal. Also a lamp post was placed in front of the store. All lights were out at 10 P.M. That was the curfew for the boys to quit playing and go home.

It took a good part of a year to make the above improvements, and during that time all families having men able to work were given employment at common labor at a daily wage of 75 cents. Many of the women and children hired out to farmers both in Gaston and Mecklenburg Counties to pick cotton at 1 to 2 cent per pound and board themselves.

On Christmas Day, 1884, water was turned on the two water wheels that had been installed for the new set up. The writer, then a lad of ten and a half years of age, was one of the privileged few who saw the first revolution of the big fly wheel destined to drive the machinery of the mill for more than thirty years.

Under the old TATE management the machinery was all operated in the original five story building as follows: The one water wheel in the center of the basement or first floor with connecting gears for second, third and fourth floors. The fifth having but little machinery, this floor was reached by belting from the fourth. The dyeing occupied the first floor. This floor was also used for opening the cotton bale and run through the breaker, which as I remember was called the 'willow' which made the first 'lap'. These laps were carried by hand or man power two at a time to the third floor to the lappers. The second floor was the weaving room, which consisted of about 100 old strap Bridesburg Looms. The Card room was on the third floor, spinning room on the fourth. The fifth floor was occupied by the circular warp mills, a few reels, the baling and shipping department. Under the new arrangement the departments were as follows: first floor, weaving; second floor, speeders; third floor, carding; fourth floor spinning; fifth floor, twine room. As already mentioned, the dyeing was in a building to itself. The new four story building was used as follows: First floor was the opening room. After leaving the opener or breaker it was carried by trunk to the third floor. The second floor was the baling and shipping department. Third floor, lappers; Fourth, spooling, reeling, etc.

As the writer recalls, the personnel of the new administration were as follows: William T. JORDAN, general manager; W.R. MAKEPEACE, superintendent; Mr. RODMAN, overseer of carding; W.H. NORRIS, spinning; Milton DELL, twine room and William CRUSH, weaving. A Mr. SEWELL, was the dyer. Mr. CRUSH, a very fine man, did not stay many months, and was succeeded in the weaving by Thomas H. LEVER. Mr. Sewell left and was succeeded by William RILEY in the dyeing department. Milton DELL soon left and was succeeded by Charles ICEMAN. There were many changes with the superintendent and overseers from 1884 to 1894 at the time the writer left Mountain Island. J.J. GIRARD was

twice superintendent. Elias RICHARDS was superintendent for a short time. John DOWNUM, S.H. HOWARD, Thomas SHEPPARD and many others were all overseers during the first ten years of the HOOPER administration.

The first public school at Flat Rock under the new administration was taught by Miss Nellie MAKEPEACE, oldest daughter of C.R. MAKEPEACE.

On or about August 25, 1894, the mill closed for a few weeks for the purpose of adding a story to the four story building, and on August 29th, of the same year the writer left for Asheville, N.C., where he has made his home ever since.

In working on abstractions of Flat Rock Cemetery and Hebron Baptist Church Cemetery we also went to the Court House in Gastonia, N.C. and looked at Death Certificates and obtained some information.

There are many unmarked graves at both cemeteries. We of course could not find all information because there are no death certificates before 1909, and then not very many until 1913.

The oldest marked grave is of Ella V. ICEMAN: Died: October 10, 1871 Aged: 20 Years 5 Months 29 Days. There are probably older graves that are not marked, only with field stones ,if they are marked at all.

If you notice there is one grave missing: S.A. HOLLAR. His body was removed and reburied at Forest Lawn in Mecklenburg Co., N.C.

We hope that this cemetery will be maintained for many years to come. It is part of our early heritage of Mt. Holly. Hebron Baptist Church is mother of First Baptist Church in Mt. Holly, N.C.

Flat Rock Cemetery is still being used for burial. The relatives of the early graves still come back for the Reunion every year.

If you have further information please let Colleen or myself know. We also ask for correction if you find mistakes. We are not perfect. We hope that you enjoy this book and keep it as a memorial to Hebron and Flat Rock Cemetery.

## HISTORY OF OLD HEBRON METHODIST CHURCH

Once located on the Lincoln side of the Catawba River at Rozzell's Ferry and was discontinued. The location now is in Gaston County, North Carolina. It probably was later moved to the Riverbend area and became River Bend Methodist Church. As of 1991, the Riverbend Church is no longer. It joined in with Snow Hill Methodist and now is called New Covenant Methodist Church.

In the history of Riverbend Methodist Church, according to Vertie Cox who did the history in honor of the churches 100 year anniversary says:

"I am assuming that the name of our Church, Riverbend, came from being located on the bend of the Catawba River, going into Mount Holly, North Carolina.

"After the Civil War, preachers who were then called "Circuit Riders" because of their traveling from community to community, preached in any building which might be available. The Presbyterians had established a church at Goshen Grove, near Belmont, The Episcopalians known then as White Haven, is now Castanea Presbyterian Church in Lucia, the Catholics, at St. Joseph's near Mountain Island, and the Methodist were becoming active in Gaston County.

"So far as it can be determined, the first Methodist Church established in 1764 was Ebenezer, located near Belmont in what is now Gaston County, the second was Bethesda established in 1811, located on the New Hope Road near Cramerton; the third was at Stanley Creek (now Stanley) established in 1859 as an outgrowth of an old Methodist Camp Ground near Stanley.

"On June 18, 1883, W. Sid CANNON and wife; F.M. CANNON, and Augusta C. ROZZELL, all of Gaston County and the State of North Carolina, deeds 2 13/32 acres to William JONES, A.W. DAVENPORT, Irenius F. LINEBERGER, F.A. CANNON and THOMAS DAVIS, Trustees in trust for Riverbend Methodist Episcopal Church South, of Gaston County and the State of North Carolina, to have and to hold the aforesaid lot of land and all privileges and appurtenances thereto belonging to the said Trustees and their successors in office to their only use and behoof so long as the same shall be used by the Ministers of the Methodist Episcopal Church South for Divine Worship. The consideration was \$25.00.

"The deed was registered the 25th day of September, 1884, in the Office of the Register of Deeds of Gaston County, in book # 12, on page 186.

"Augusta C. ROZZELL and W. Sid CANNON's land adjoined the original church property. Richard ROZZELL, father of Augusta, was one of the builders of the original church. The first church was a one room white frame church without bell or bell tower, with two front doors. It was stated that everyone used the left door to enter the building, no one knew why, it was just the custom.

"Sunday School was held in each of the corners of the room. The first organ was donated and played in 1913 by Amelia Hooper ROZZELL, wife of Frank ROZZELL. The drawing of the original church was drawn by Mrs. Ella Rozzell HART, who is 95 years young and remembers her early childhood at Riverbend. Mr. Richard ROZZELL was her grandfather and lived in the Old ROZZELL House (now gone it burned a few years ago) just across the river.

"At the time of the organization of our church, it was a member of the Gaston Circuit, Shelby District, North Carolina Conference, Methodist Episcopal Church South, and the Circuit was made up of the following eight churches:

Riverbend with 127 members; Stanley Creek with 152 members; Zion with 36 members; Ebenezer with 127 members; Ironton (now Iron Station) with 30 Members; South Point with 112 members; Mountain Island "Tate's Factory"

"At one time we were on the following Circuits: Lincolnton; Gaston and Lowesville.

"Taken from minutes of 4th Quarterly Conference of Lincolnton Circuit, Shelby District, North Carolina conference, Methodist Episcopal Church South,

held at Riverbend Church October 30, 1883:

"Rev. H.T. Hudson, Presiding Elder, in the chair. The Conference was opened with religious services by the Presiding Elder. A.N. WELLS was elected Secretary. The following members of Quarterly Conference were present: Rev. S.J. McLEOD, Pastor in Charge; A.N. WELLS, W.C. SHERRILL, M.L. WENTZ and William JONES, Stewards; A.W. DAVENPORT, F.A. CANNON and I.F. LINEBERGER, Trustees.

"It was stated the Sunday Schools were doing well and some of them bid fair to run through the winter. The Pastor's report stated 17 persons were received into the Church, 7 Adults and 4 Infants were baptized. Statistics for the 6 churches presently on the charge were 593 White members, 1 colored, 43 Infants baptized, 167 Adults, 25 Sunday School Officers and Teachers and 525 Scholars.

"The six churches were valued at \$6,800. In the 1st Quarterly Conference, Gaston Circuit, January 19, 1884, the following resolution was passed: "Resolved: That the Trustees of Riverbend Methodist Church be, and are hereby authorized to transfer the school house, now standing on the church lot, and a small lot of land with it, to the School Committee of School District No.# 31, for the white race, and to their successors in office, to be used solely and exclusively for a school house, either for free or subscription schools, so long as it is needed for either of those purposes."

"Riverbend Church, together with South Point, Ebenezer, Stanley Creek, Tate's Factory (at Mountain Island), Mount Holly, Zion and Ironton are mentioned at a Steward's Meeting as early as February 25, 1882, held at Stanley Creek and the amounts assessed to each church on the circuit were given.

"Rev. C. Excellence ROZZELLE, son of Augusta C. ROZZELLE and Ella Cannon ROZZELLE, a well known Methodist Minister, was born and raised at Riverbend and Mount Holly. Around his 18th birthday, Rev. Rozzelle preached his first sermon at Riverbend Church (that is the original Church), and after the present church was established in 1947, he preached the first Revival for Riverbend on May 11th through May 16th, 1947.

A special called session of the Quarterly Conference for the current year 1927 - 1928, Mount Holly Charge, Shelby District, Western North Carolina Conference, was held at Mount Holly on March 19, 1928, W.A. NEWELL, Presiding Elder, in the chair. After religious services conducted by W.A. NEWELL, a vote was called on the motion made to sell Riverbend Church property to Duke Power Company for an equal amount of land and \$1,000.00, the vote was unanimous to sell. March 19, 1928, Duke Power Company and Riverbend Church contracted on an exchange of property. Duke Power wanted to make an Industrial Development near the location of the original church. The development which Duke Power was preparing to make would result in a considerable number of families locating and living in the immediate neighborhood of said development. In consideration of the conveyance of said property and church to Duke Power, they agreed to convey to the Methodist Episcopal Church South, in trust for the Riverbend Church, Shelby District, Western North Carolina Conference, in Shelby District, Western North Carolina Conference, in accordance with the usual trust clause of the Methodist Episcopal Church South, as laid down in its discipline, two and one-half ( $2\frac{1}{2}$ ) acres of land, and in addition to pay the sum of One Thousand (\$1,000.00) Dollars for said church. The location of said  $2\frac{1}{2}$  acres of land would be agreed upon by Professor J.M. ORMAND of Duke University and said Duke Power Company. It was understood and agreed upon that the Deed of the Riverbend Church would be made to the Duke Power Company or to such other corporation as it should indicate, and that the property to be conveyed to the Riverbend Church would be part of the property then owned by the Catawba Manufacturing and Electric Power Company. This contract was executed on the 19th day of March, 1928 by the said Riverbend Church, Methodist Episcopal Church South, by Miss Laura ROZZELLE, W.R. PRICE and C.P. HOWARD, its Trustees,

and by Duke Power Company by N.A. COCKE, its Vice-President. After construction of the Riverbend Steam Plant was made, a building known as the Commissary building was used for church services.

"On September 3, 1944, under the leadership of Rev. C.L. GRANT, the church was reorganized and shortly thereafter a building program was started, but due to wartime conditions, actual construction was not begun until August 5, 1946. In October, 1945, Rev. M.C. ELLERBE became the pastor of the Lowesville Circuit and he carried on the work begun by Rev. Grant. The church was completed and the first service was held on the first Sunday of May, 1947. The official opening date was May 14, 1947, at which time preparation was begun on the dedication program by Rev. T.G. HIGHFILL. The dedication was held February 19, 1950 with the sermon being given by Dr. Costen J. HARRELL, Presiding Bishop.

"On April 16, 1951, our parsonage was built by Mr. Ralph EVERHART and on October 4, 1951, Rev. W.L. HARKEY moved into the parsonage and became our first full time pastor.

"On October 11, 1953, Rev. A.G. PERKINS preached his first sermon at Riverbend and Snowhill, our sister church for this conference year, and have remained so since. On December 19, 1954, under Rev. Perkins' ministry, and during the service, the picture of Christ Blessing the Children was given as a gift, in memory of our beloved friend, Miss Ella PHELAN, in honor of one who loved the church, its members and friends with a deep and sincere love. This beautiful picture will hang in the sanctuary of the church as a reminder of Miss Ella's love for Christ and the children. Miss Ella was a faithful worker and contributor in the original church and the present church as well.

"In 1960, during the ministry of Rev. George CARVER, our organ was purchased for the sanctuary and the church became a part of the Charlotte District.

"In 1964, during the ministry of Rev. O.L. HANCOCK, Jr., tile was laid in the Fellowship Hall and the entire downstairs Sunday School rooms, also the gold altar cross and candlesticks were donated.

"In 1968, during the ministry of Rev. John C. SWAIN, our first pictorial directory was done.

"In July 1973, during the ministry of Rev. Harry QUEEN, the sanctuary was air-conditioned and baptismal font was donated.

"In June, 1975, during the ministry of Rev. Tracy STREATER, a new ceiling was installed in the sanctuary and new altar cloths were made by Mrs. Ross COX.

"This past century, as we look back, our hearts fill with profound gratitude for all those faithful, loyal, devoted, and consecrated ministers and members of this Church who lived so well the Christian life, and left a powerful influence on the lives of us who are the present church membership, this great legacy, the love for the Lord and concern for other people, the warm sweet spirit means the upbuilding of God's Kingdom and that is what Riverbend Methodist Church is all about."

C. EXCELLE ROZZELLE

September 22, 1891 - November 14, 1974

A distinctive, devoted, dynamic minister of Christ was Clarence Excelle ROZZELLE. A friend described him, "a distinctive man of God" - and how much of appreciation is wrapped up in that phrase.

C. Excelle ROZZELLE was born September 22, 1891, in Mount Holly, North Carolina. The son of Augusta C. and Ella Cannon ROZZELLE. He died in Winston Salem, North Carolina, on November 14, 1974, at the age of 83. He received his education in the schools of Mount Holly, and graduated from Trinity College which is now Duke University, and he received theological training in Vanderbilt and Emory Universities.

On April 24, 1920, he was married to Mary Lee GREENE, who survives and also surviving is one daughter, Carolina (Mrs. Raymond SIMMONS) and three grand-daughters, Mary Claire, Carol Suzanne and Lisa ROZZELLE.

He joined the Western North Carolina Conference in 1913 and served faithfully and effectively in the following appointments: 1913 - 1914, Hickory Grove, 1914 - 1915 Student, Emory University; 1915 - 1919: Transferred to West Texas conference where he served the Eola Circuit and the Paint Rock Charge; 1919 - 1925: Mount Holly, Associate; 1919 - 1925, Principal, Mount Holly School; 1925 - 1927: Charlotte, Myers Park; 1927 - 1931: Chapel Hill: University; 1931 - 1935: Lenoir: First; 1935 - 1941: Gastonia; Main Street; 1941 - 1945: High Point, Wesley Memorial; 1945 - 1946: Superintendent, Thomasville District; 1946 - 1950: Winston Salem: Ardmore; 1950 - 1953: Superintendant, Winston Salem District; 1953 - 1956: Professor, High Point College.

His days of retirement were spent in the Ardmore Community where he ministered to many people throughout the city of Winston Salem, and was widely known as a friend to persons in all classes and situations.

He was a teacher of the Kerr-Wesley Bible Class of Ardmore Church for nine years. On February 2, 1975, a beautiful chapel in this church was dedicated as the C. Excellence ROZZELLE Chapel, a fitting memorial to him. His pastor at Ardmore, the Rev. Gene LITTLE wrote: "He was one of those rare souls who cannot be replaced. His graciousness, his wit, and his tremendous awareness of both the human and the divine, made him truly one of God's noblemen. He had about him that genuine quality of goodness that most of us aspire to have but do not always attain. He brought to his calling great spiritual gifts, a deep awareness and an unswerving loyalty to Christ and the church.

Dr. ROZZELLE was an avid reader. His mind was one that explored the wide vistas of understanding and was able to retain so much of what he read. His library was perhaps the finest among many fine libraries owned by preachers in our Annual Conference. He was a preacher who loved to preach. His was a diversity of style that included a skillful use of his voice and thereby he was able to warm and illumine his hearers. His themes were the essentials there was no flirting around with the minors, he played in the major league of grand ideas.

Dr. ROZZELLE was zealous and industrious. As a pastor, he visited day and night and was always available for any human call. I succeeded him as Chaplain of the Oasis Temple, of the Shrine and continued to have many happy relationships with him as he served as Chaplain Emeritus.

We were pastors together in High Point, our churches being only a block apart. Such a brother and helpful comrade he was in those difficult days. We attended Pastors Conference at Princeton University, where as a roommate I came to know him in a wonderful manner.

A word that is missing from many of our religious vocabularies - obedience - was paramount in his life. To use the phrase in the epistle of Jude, he was "jubilant and above reproach." He loved his family and was ever faithful to them, but in a very true sense he belonged to all whom he met. Such was the privileged life of this faithful minister and beloved fellow member of the Annual Conference.

From the History of the South Fork Baptist Association  
The Baptist For One Hundred Years In LINCOLN, CATAWBA and GASTON Counties,  
North Carolina. by Major W.A. GRAHAM. Lincolnton, N.C.  
The Journal Printing Company. 1901

Page 12: HEBRON CHURCH: Abernethy's Ferry (now known as ROZZELL'S) was on the Catawba River, twelve miles west of Charlotte, at that point where the plank road to Lincolnton crosses the river. It was the head of navigation.

"Flat Boats" laden with cotton and other produce, passed down the river from here to Charleston. which was the "entre port" for all this section. The boats were frequently sold after the cargo had been disposed of, as "poling" against the current frequently left but little for "freighting charges" above expenses. There was a canal from the Santee river to Charleston.

At the session of 1788, the Legislature of the State granted a charter to a company to "remove obstructions to navigation in the Catawba River." One or more appropriations were made to aid the work. The race now used at Mountain Island Mills was cut to avoid the shoal, as was also the one at the "Powder Mill" at Tuckasee Ford. Boating was continued until 1836. Afterwards the people of the country went by wagon to Camden and then by boat to

to Charleston although they sometimes made the entire trip in wagons. On the western, or Lincoln side of the Catawba, at Abernathy's Ferry, was located Hebron Church, a sketch of which prepared by its order, I insert:

HEBRON BAPTIST CHURCH: was organized at Abernathy's Ferry, on the Catawba River, in Lincoln County, N.C., in the latter part of the 18th century. The Log House in which these people worshipped first stood on the river bank, immediately at the ferry. No records of the church are known to exist earlier than 1834, but tradition and references to old deeds, carry us back to 1792.

An old negro woman now living, and nearly one hundred years old whose name appears on the old church roll as "Sally, servant of Mr. HENDERSON," says her husband, Jake, who belonged to Richard ROZZELL, told her that he was at the "raising" of the old church, and that James ABERNATHY "took up" one corner. This James ABERNATHY was drowned in 1785.

The tract of land on which the church stood was conveyed to Nathan ABERNATHY by James ABERNATHY and his mother, Elizabeth, on the 28th day of March, 1792.

Nathan ABERNATHY sold to Nathan SADDLER August 20th, 1803.

The following deed is recorded in Book No. # 27 page 635. Lincoln County records: "This indenture made this 4th day of May 1816, between Nathaniel SADDLER...and Richard ROZZELL...witnesseth...That in consideration of fifty dollars...a parcel of land in State and county aforesaid, immediately at said Rozzell's Ferry, bound as follows....containing three-fourths of an acre...with the following exceptions to wit: it is understood that the said Rozzell, his heirs and assigns are hereby debarred from building or erecting any house, or placing any family to live or reside on said land, or premises, or to interrupt or molest the meeting house or people meeting...which land the said Saddler will warrant and defend against all persons whatsoever exclusive or above exceptions....

According to the terms of a swap of land made in 1832, John ROZZELL was to give the church a deed in fee simple for an acre of land nearly one half mile from the ferry, the consideration was to be right of the church on the river bank.

The old house was removed and stood on the new site until it was crushed by the weight of snow on its roof in 1852. The membership being "too weak" to rebuild, a stand was erected in the grove, at which preaching was continued at indefinite periods of time until 1883.

The organization having been dissolved in 1853 other denominations were allowed the use of the stand..the Lutherans, Presbyterians, Methodist, etc.

The Methodist organized a society at that place, have erected a house of worship and now hold possession of the site. On the 7th day of February, 1883, before the Methodist began to build, Brother J.C. FICHTE (Fite) addressed a letter to A.C. ROZZELL, then in possession, in which he used the following language: - "I do want you to relinquish your claim, or whatever of claim you may think you have, to old Hebron Church tract. We expect to reorganize the church and we are unwilling to surrender the site, for which we have a deed from John ROZZELL, dated 1832. This deed has never been recorded, etc."

A.C. ROZZELL disregarded this letter and in July, 1883, conveyed the same land to the Methodist Church.

The deed from John ROZZELL to the church was in the possession of an attorney. It was obtained from him by an order of someone and could not be rediscovered. So the matter remains a mystery.

The following named preachers are known to have served the church: John RUKER, 1800; McCRARY and Hosea HOLCOMBE during the same time; William RICHARDS, 1820 - 1829; H.W. CARROLL, 1839 - 46; then Wade HILL, as missionary of the Broad River Association; then GARRISON and R.B. JONES, as missionary of the N.C. Baptist State Convention.

The Presbytery which dissolved the organization in 1853, was composed of Elders Alexander ABERNATHY and A.J. CANSLER. The members went to Bruington and Salem Churches.

Elder George J. WILKIE preached here as a missionary of the Catawba River Association once since the war.

In 1883, Elder John F. MORRIS, as missionary of the South Fork Association, preached here a few times. Through his instrumentality the members of the Baptist Churches residing between Dutchman's Creek and the Catawba River, in Gaston County, held a conference meeting at the Flat Rock School House, near Mountain Island, on the 8th day of June, 1883, for the purpose of consulting about the propriety of reorganizing old Hebron Church. Brother John L. GRICE was chosen moderator, and Brother John C. FICHTE, clerk.

The following preamble and resolution was adopted: -

"Whereas, the site of the old Hebron Church has been taken into possession by A.C. ROZZELL and the deed for the same mysteriously obtained from the office of George F. BASON, Esq., and, whereas, there can be no doubt as to the legality of our title, and being unwilling to surrender the same, therefore, Resolved:-

"1st: That we reorganize old Hebron church and that we meet for that purpose at the school house on the old site on the 6th day of July, 1883."

Afterward, the time of organization was postponed until the 5th day of October, 1883, when Elders J.F. MORRIS and T.W. UPTON, Deacons John B. STONE, J.M. HOLLEBAUGH and J.R. UNDERWOOD, met at the old site at 11 o'clock, a.m. Brethren J.L. GRICE, J.M. BUMGARNER and J.C. FICHTE, were also present. Mrs. W.F. CANNON had requested a letter from Salem church to join in the organization. ....Our intention was to occupy the school house at the old site, but the privilege was denied us by W.F. CANNON, who said he had locked us out because he was not willing we should reorganize the church at this place. After consultation we agreed to meet in the afternoon of the same day at the Flat Rock School House. here the organization took place, Deacon John B. STONE, chairman; John M. HOLLOBAUGH, Secretary.

"The following persons presented letters and were enrolled as members:

"Deacon J.R. UNDERWOOD & wife Mary; Brethren J.L. GRICE, J.M. BUMGARNER and John C. FICHTE." That evening the names of several newly baptized members were enrolled. Bro. John L. GRICE, was elected clerk.

The above historical sketch was adopted as a part of the church record by the church in conference on the 13th of September 1886.

John L. GRICE, Clerk.

This historical sketch has been published to inform the public of the trials and persecutions to which Hebron Baptist Church has been subjected, and, also, to ask all generously disposed persons to assist this weak and struggling congregation to erect for themselves a house of worship upon their recently purchased site.

"Let all contributions be sent to the address of Elder John F. MORRIS Stanley Creek, N.C."

(N.B. I have abbreviated the sketch and made some slight alterations of verbiage in order to do so. — G.)

Note From Linda A. BELL

It is a sad plight that these early Christains had to endure. I personally do not have a relative buried at Flat Rock Cemetery or Hebron Baptist Church Cemetery, but for many years I have passed this cemetery and had a love for it. It has been with this love that I have worked on this book along with Colleen Stafford Miller. In fact this is where I came into contact first with Terry WALDROP. Colleen and I had been to Alexander County to work on some family history and coming home Colleen said I wonder who that is out in the cemetery with a note book copying tombstone information. We stopped the car and got out and introduced ourselves and found that he was doing a book on old cemeteries in Gaston and Lincoln Counties. We later got him interested in genealogy and now I do most of his typing for "Old Gravesites Revisted".

I want to thank Steve STAFFORD, he had the microfilm for the old Hebron and got Colleen and myself to working on this project.

Next we want to thank Steve PAINTER, he drove Colleen and myself to Winston Salem to do research on Hebron Baptist Church. Steve has Dagenharts buried at Flat Rock Cemetery.

Also we must thank Amon BUMGARNER: He let us copy his material that he had on Flat Rock and Hebron. We also got copies of his pictures. You may have copies too by writing or going by: RICK HAITHCOX Photography: 109 South Holland Street: P.O. Box 521: Dallas, North Carolina 18034: (704) 922-7696. The negatives are under my name. There are several of Amon's sisters standing near the Flat Rock in some of the pictures.

I want also to thank Mrs. Nancy SPAINE from the Western North Carolina Conference (Methodist) in Charlotte, N.C., she sent information on Hebron.

Thanks also go to Vertie COX for letting me copy her material on Riverbend Methodist Church.

I do have a wonderful friend buried at Flat Rock Cemetery. Mrs. Minnie Bingham MARSHALL. This lady was very special. I called her Grandma. She was of no kin, but I loved her.

Colleen has STAFFORD'S buried at Flat Rock Cemetery. She has a great love for this place. It's not uncommon for us to go and spend the day in a cemetery. She helped me for two days copying stones in Kings Mountain. She is a true friend. Botho of our roots go deep into Alexander County. My family didn't stop at Mount Holly, they went on to Gastonia, N.C. The McALPINES. So many of these people came into Gaston County from Caldwell and Alexander to work in the mills in the 1890's.

The cover of the book is not actually a picture of Hebron Baptist. It's just a picture, that I came up with. My drawing isn't what it used to be, but it's a copy, right?

If any of you that read this book have information on Hebron or Tate's Factory M.E. Church please let us know. I feel like there is plenty of information out there, along with pictures.

Colleen and myself have spent many-many-many hours at the Court House in Gastonia, N.C., going through Death Certificates checking where a person is buried and copying information. That's where you find unmarked graves. It's a shame people don't put down stones and keep up a cemetery. Maybe this project will help keep memories alive.
